

PERSONAL INFORMATION

Name: István LÁSZLÓ

Date of birth: September 29, 1950.

Place of birth: Nagykarácsony, Hungary

Married since 1981

Office Address: Department of Theoretical Physics, Institute of Physics
Budapest University of Technology and Economics
Budapest, Budafoki út 8., H-1521

E-mail: Laszlo@eik.bme.hu, Telefax: 36-1-463-3567

EDUCATION

1987:Ph.D.

1978:Doctorate in Physics at Eötvös Loránd University, Budapest

1970-1975:Physics at Eötvös Loránd University, Budapest

1969:Certificate of final examination at Czuczor Gergely Secondary School, Győr

WORK EXPERIENCE

2015- Honorary professor at Budapest University of Technology and Economics

2005:Visiting professor at Georgetown University, Washington

2001:Doctor of the Hungarian Academy of Sciences

1998-2001:Széchenyi professor scholarship

1998-2001:Professeur associer temporaire, École Normale Supérieure, Paris

1994:Habilitation on physics at the Technical University of Budapest

1993-1998Member of the Editorial Advisory Board of Fullerene Science and Technology

1992-2015 associate professor

1989-1992:senior scientific research fellow

1991.1992:visiting professor at the Universidad Politecnica de Madrid, Madrid

1987:Ph.D. in physics

1980-1989:scientific research fellow

1981-1982 guest scientific research fellow at the Université de Provence, Marseille

1978-1980:associate scientific research fellow

1976-1977:holder of a scholarship

1975-1976:assistant scientific research fellow

SCIENTIFIC INTEREST

Quantum chemistry. Solid state physics. Amorphous structures. Clusters. Graph theory in physics. Fullerenes. Nanotubes. Graphene.

KNOWLEDGE OF LANGUAGES

English, French, German, Russian
